

The U.S. Department of Transportation
Competent Authority for the United States

CLASSIFICATION OF EXPLOSIVES
(THIRD REVISION)

Based upon a request by Hop Kee Pyromagic Ltd., Rm 2104-6 Alliance Building, 133 Connaught Road Central, Central, Hong Kong the following items are classed in accordance with § 173.56, Title 49, Code of Federal Regulations. A copy of your application, all supporting documentation and a copy of this approval must be retained and made available to DOT upon request. This Competent Authority Approval only authorizes devices that comply with the APA 87-1 Standard, incorporated by reference per § 171.7(a)(3). For renewal, please refer to § 107.705(c). Each application for renewal must contain a certification by the applicant that the explosive device for which renewal is being requested is produced by the same manufacturer(s) and is identical to the originally approved device in size, construction, weight and chemical composition and continues to comply with the APA 87-1 Standard.
